- Appointed organisation is to acknowledge YCS's support in all media and publicity related materials associated with the approved event and/or programme.

Frequently Asked Questions

Q1: Can I apply for an existing community service programme?

A1: Yes, an existing community service programme/project would need to have strong alignment with the Common Space for Common Good (CS4CG) initiative. Projects that are already receiving funding from National Youth Council will not be considered.

Q2: My organisation is already receiving funding from National Youth Council. Can I still submit a fresh application?

A2: Organisations and individuals that/who are currently receiving funding from NYC may still submit their application, subject to NYC's consideration to fund.

Q3: Can I submit more than one project under my organisation?

A3: Yes, each organisation may more than one project. However, it should be consolidated and submitted in one proposal.

Q4: Is there any funding cap per organisation?

A4: Successful applicants can receive funding from the National Youth Fund of up to 80% of the approved **total** allowable project costs, capped at \$50,000. For once-off project organised during the Youth Corps Service Week, the funding quantum will be lower.

Q5: Is there any restriction on seeking funding sources from other government agencies?

A5: Each project should not be receiving a total government grant exceeding 80% of total project costs.
